A Very Special Thank You to the Pine Grove Family for your gifts to the pastor and staff this Christmas season. We truly enjoy what we do for Pine Grove. Your gifts of love, support and understanding help make Christmas a little more special.

Thank you for your patience and understanding as we work to improve our communications. Our church newsletter will resume January 2014. We are making necessary revisions due to several USPS changes with bulk mailings. Our broken, outdated phone tree has been replaced with a new system. It has been installed and we are working through the process of learning the program as well as entering all member information. We will place a note in the bulletin when this process is complete and phone tree messages can begin. **A temporary calling chain has been established to communicate critical messages until phone tree messages can begin.** We are very grateful for the time and energy that Kelly Hale has contributed to this process. **If you would like to receive messages by phone or email please complete and place the following in the offering plate:**
