PENTECOST

A FRESH LOOK AT PENTECOST

Fifty days after Jesus' resurrection, on a day called Pente-cost, the Christian church was born. Because Pentecost was a holiday celebrating the harvest (a bit like our Thanksgiving), the apostles and a large crowd had gathered to celebrate in Jerusalem.

Many people had assembled near Peter and the other followers of Christ when "[F]rom heaven there came a sound like the rush of a violent wind. . . (Acts 2:2 ff,NRSV). Then tongues of fire descended on everyone in the crowd.

After the wind and fire descended, all sorts of languages, known and unknown, came out of the crowd. Each person spoke "about God's deeds of power" (verse 11). No wonder Luke wrote, "All were amazed and perplexed, saying to one another, 'What does this mean?'" (verse 12).

The whole affair was mind-boggling and life-changing. The Holy Spirit had come upon many people; they knew God was powerfully at work in their midst.

On Pentecost many years ago, 3,000 people came to believe in Christ. That's why today Christians remember this powerful event as the birthday of the church. Pentecost occurs on May 23rd this year.

THOUGHTS FROM THE REV...

Recently I received a note from Rev. Keith Bingham. He is in charge of Evangelism for the Winston-Salem District and is in the process of putting together a seminar on “The Power of Three: Plug-in” His note was asking me about the “Pew Captain” idea we reported on at Charge Conference – last November. In order to help us all better understand this concept allow me to share my response with you.

Keith,

We are in the process of starting 18 small groups... that is dividing the church into 18 small groups with around 10-12 members per group. These groups are basically for nurture (to care for each other in a closer way), study and service. We call it CONNECTING people to God. CONNECTING people to the church (us), and CONNECTING people to a place to serve God and our neighbors. We have four facilitators for each group who meet monthly with me for worship and encouragement and clarity, and meet with their group once a month. Each group works within the broad boundary of CONNECTING with the freedom to choose and own their own study, nurture, and outreach service. Two groups are young adults and two groups are day groups.

Along with the CONNECTING agenda comes the concept of making a place for people to be connected to our church. They are connected through small groups – that is the plug in point. Couple that with nurture – looking after each other - our pew captains are people from the small groups (the entire active church) who sit in the pews on Sundays. What they do is make sure that all people on their pew are welcomed, sign in on the registration form, are invited back and channeled toward a group that might fit their personality, age, situation, etc. So prior to church we greet them, during the sharing of the peace we greet them, and after church we continue the conversation and invite them back. Finally, they walk with them to the door and introduce them to other members and to me as first time visitors and give them a gift from the church that includes bread and information about the church. Their second visit focuses more on finding a place for them to belong... a small group.

The other part of the nurture is to make sure that you notice all persons in your group. If some are missing in church before the day is out you give them a call or send them an email or card saying that we missed them. All of this builds the nurturing closeness of the group and opens a door for those who are seeking a place to belong and grow and serve. All of this means that pew captains are not recruited (they are not even called that) they are members who are just expected to live out who they are (nurturing, caring people). Guess what? That caring is so contagious that people immediately feel welcome and at home.

Ten people have joined the church since February and it is not because of me. It is because the people care and express that care from the first moment these people walk in the door. They know we are making a place for them to belong.

Grace and Peace
Steve

ITEMS OF INTEREST

THE YOUTH will host a baked potato and salad bar to help raise money for STOP HUNGER NOW. This will be held on Sunday, May 2 following the worship service. The cost will be collecting donations at the door and all proceeds will go to the STOP HUNGER NOW fund. Please make a reservation by calling the church office at 765-2569. Thanks for your support.

STOP HUNGER NOW— On May 8th at 9:00 a.m. the packaging event for STOP HUNGER NOW will take place in the fellowship hall. We will be asking for volunteers to help with this event. Please reserve that morning now to help with this program that helps to feed children daily both here and abroad. This is not something that will only help after a disaster but is being used every day. People of all ages and abilities are encouraged to come and take part in the fun.

PINE GROVE T-SHIRTS—As part of the campaign for STOP HUNGER NOW a special design was created to go on tee shirts. We are taking orders for the shirts now and the cost is \$10.00 for small to XL and \$12.00 for XXL and larger. To place an order please see one of our youth or call the church office.

SUNDAY, JUNE 6—STAFF APPRECIATION LUNCHEON AND ROAST —In honor of our staff, Pastor Steve, Beverly Myers, Whitney Ladd, and Peggy Williams, we will be having a potluck lunch after church on June 6. In conjunction with the meal, we will be sharing stories of kindnesses they have done and funny anecdotes or pictures that might just embarrass them. To do this, we need your help. Anyone who has such a story or picture is asked to send them to E. L. Thomas or, let him know you have a story to tell at the luncheon. Please submit these items to him by May 30th so they can be compiled for our program. E. L.'s email address is tarbubba@earthlink.net.

THE PINE GROVE UNITED METHODIST MEN will sponsor a Day of Service on Saturday, May 15. We are looking for service projects and community needs to accomplish on this date. The projects can include yard work, household needs such as plumbing or painting, tree and bush trimming, etc. Project Sign Up sheets are available in the narthex. The UMM will take on anything that is feasible so do not be afraid to ask!

IMPACT COMMUNITY DAY—SATURDAY, JUNE 5TH—We have some people who have committed to paint at the Children's Home on this day but all of us can help by bringing a package(s) of hot dogs to church during the month of May. These hotdogs will go to assist the Thunder on Thurmond Event. So please start bringing your packages of hot dogs. We will need somewhere around 100 packages of hot dogs. The web site for these events, www.impactwinstonsalem.org will be up and running soon so check in to see where you may fit in this impact day.

GRADUATION—Please call the church office and let us know about any graduations. We would like to recognize this major milestone. We need this information as soon as possible.

YOUR FAITH CAN GROW—The suspension bridge over Niagara falls was begun by a thread attached to a kite. When the wind blew, the kite floated across the water to the other side. Workers then attached a string to the thread and pulled it across. To the string they attached a rope and pulled it back. By this slow-but-sure method, the bridge was built.

Our faith may be just a little thread or no larger than a mustard seed, but we must act on it (see James 2:14-18). Through action, our faith will be strengthened (Colossians 1:23) as it moves us to do even greater works of faith for our Lord (2 Thessalonians 1:3). And in this slow-but-sure way, our faith can grow exceedingly (Ephesians 4:15-16).

JESUS AND THE MUD PUDDLE

Howard County Sheriff Jerry Marr got a disturbing call on Saturday afternoon a few months ago. . . His 6-year-old grandson, Mikey, had been hit by a car while fishing in Greentown with his dad. The father and son were near a bridge by the Kokomo Reservoir when a woman lost control of her car, slid off the bridge and hit Mikey at a rate of about 50 miles per hour.

Sheriff Marr had seen the results of accidents like this and feared the worst. When he got to Saint Joseph's Hospital, he rushed through the emergency room to find Mikey conscious and in fairly good spirits.

"Mikey, what happened?" Sheriff Marr asked.

Mikey replied, "Well, Papaw, I was fishin' with Dad, and some lady runned me over. I flew into a mud puddle, and broke my fishin' pole and I didn't get to catch no fish!"

As it turned out, the impact propelled Mikey about 500 feet, over a few trees and an embankment and in the middle of a mud puddle. His only injuries were to his right femur bone which had broken in two places.

Mikey had surgery to place pins in his leg. Otherwise the boy is fine. Since all the boy could talk about was that his fishing pole was broken, the Sheriff went out to Wal-mart and bought him a new one while he was in surgery so he could have it when he came out.

The next day the Sheriff sat with Mikey to keep him company in the hospital. Mikey was enjoying his new fishing pole and talked about when he could go fishing again as he cast into the trash can.

When they were alone, Mikey, just as matter-of-factly said, "Papaw did you know Jesus is real?" "Well, the Sheriff replied, a little startled. "Yes, Jesus is real to all who believe in him and love him in their hearts?" "No," said Mikey. "I mean Jesus is REALLY real." "What do you mean?" asked the Sheriff. "I know he's real 'cause I saw him" said Mikey, still casting into the trash can. "You did?" said the Sheriff.

"Yep," said Mikey. "When that lady runned me over and broke my fishing pole, Jesus caught me in his arms and laid me down in the mud puddle."

WHAT ARE YOU WAITING FOR???

Greetings from your Weekday School!

May, already?! My goodness! Where did this year go? It is unbelievable that (as I'm writing this letter) we only have 25 more days of school!

The children and staff returned from Spring Break rested and ready for a busy month. The first couple of weeks of April were filled to the brim with activity as we prepared for our Spring Children's Clothing/Toy Sale that took place on April 16th & 17th. Many thanks to those of you who participated by selling items or by taking advantage of the great bargains that could be found on our "gently used" children's items. The Stop Hunger Now Bake Sale that was held in conjunction with the Clothing/Toy Sale was a big hit with our customers. With the proceeds from the sale (and a matching donation from the Weekday School) we were pleased to be able to donate \$200 towards the worthy cause. Our annual "Crazy Hat Day" was held on April 21st. The boys and girls (along with help from their parents) created fantastic "crazy hats" to wear in our "Crazy Hat Day" parade. They never cease to amaze me with the wonderful ideas they come up with! We all had lots of fun showing off our "crazy" hats and enjoying the special snack... Goldfish, Ice Cream Sandwiches and Juice. Yummy!☺ (Special thanks to Dot Dickerson for loaning me her "crazy" Rooster Hat for the occasion. The children and parents loved it! ☺) Our 4s & Rs are looking forward to another trip to the Children's Theatre on April 30th to see a production of If You Give a Pig a Pancake.... Prior to their trip, they will enjoy a week of Laura Numeroff's wonderful "If You Give a..." books in the classroom. It will be a fun-filled week complete with a special "pancake snack"!

May will be lots of fun, as well! The children will begin creating some very special "surprises" for Mother's and Father's Day. The month will be "chock full" of "special events". Our annual "Family Fun Day" will be held on the 14th. The little ones are so excited about their parents and other family members joining them for a morning of games and prizes, food and fun! It will be a fun-filled day for us all! Our 4s & Rs will enjoy a special picnic in their honor on the 21st complete with games and delicious homemade ice cream. (I'm really looking forward to this, myself!☺) Be sure to mark your calendars for Sunday, May 23rd when PGWS will present our annual Spring Program during the 11:00am Worship Service here at Pine Grove UMC. The boys and girls have been working very hard in Musicare Class with "Miss" Amy learning the sweet inspirational songs they will share with you. This is the children's way of thanking you for sharing your wonderful facility with us throughout the year. We hope everyone will be here to cheer them on as they perform. Our staff is looking forward to a "special event" on the 26th as we enjoy a Teacher Appreciation Luncheon hosted by members of our Parents' Association. We are very blessed to have lots of wonderful caring parents here at PGWS. It will be so nice to sit down to a meal that has been prepared just for us! Our "End of Year/Graduation Celebration" will take place on the evening of May 27th. The children and their families (along with all our staff) will celebrate our great year by enjoying a delicious covered dish meal, followed by the "graduation" of our 4s & Rs. It will be an evening filled with fun and laughter (and, probably, a few tears, as well!☺) We become so attached to our "little ones" and their families that it is often hard to see them head off to BIG SCHOOL. Our last day of school (Friday, May 28th) will be highlighted by celebrations in our classrooms as we say farewell to our teachers and friends. As you can see, we have a busy, exciting, fun-filled month ahead.

Our first week of "Summer Fun" will begin on June 15th. "Summer Fun" will be offered for two weeks each during the months of June, July, and August on Tuesdays/Wednesdays/Thursdays from 9:30am-12:30pm. We have lots of exciting activities planned for the children so, if you have (or know of) children ages 6 months – 1st Grade who would like to attend, be sure to send them our way.

In closing, many thanks to Jim Neace who continues to help us (almost on a daily basis) with the numerous little odd jobs that it takes to keep the building "ship-shape". And, many thanks to everyone who re-members our ministry each day with your prayers, your presence, and your gifts.

Until next time...*Chris*
